To: Whom it may concern Dec 26, 2018

Greetings! I'm currently incarcerated at F. C. I. McDowell, W. Va. Since being here I have tore my achilles tendon which leads up to a question of me being sexually assaulted while I was innocuous having my surgery on my left achilles tendon. Officer Thompson was the last person I seen in a white outfit during surgery. Our return to the prison she & Officer Thompson was in Receiving & Discharge & they have cameras there as well. While there in R & D I made a statement to Officer Thompson "that my throat was sore", Thompson replied then "oh forget the guys name who done that to ya; oh I think his name is 'steve'." Then replied with that comment "oh I shouldn't of said that." I replied "No" & left it at that. Within days of this I filed these allegations with the prison staff & Region office. I am getting the run around on there sexual misconduct & being possibly orally raped. I give the statements to psychology & nurses. But since I have filled the correct paperwork with the

Warden I have yet heard  
anything and it has been going  
on 2 months now.

I would like to file this P.R.E.A  
with the Marshalls office for  
their help along with the Canto  
help too. I've got the records  
of what has been filed &  
Remedy process. I'm needing  
your help please. I have 9  
months left here & I'm feeling  
uncomfortable being around there  
again. I'm not getting the  
help I need.

Respectfully,

Dustin C. Lawson #110702-032

Part A - REASON FOR APPEAL ON 10-30-2018 officer Simmons & P.A. Goode from medical, while leaving medical unit & in transport to hospital. OFFICER SIMMONS brought up a conversation about P.A. Goode sending pictures of penis to his phone. Simmons asked Goode "don't you like to send pictures of penis Goode?" And referring to me if I like picture of penis Goode always sends them if I like. Goode replied to Simmons "That's what you like." While @ the hospital & waiting on the DR & M.R.I officer Simmons shows a mean from his phone to me about Kentuckians being inbred. I'm from Kentucky. Officer Neal was present when this was presented to me while @ the hospital. (11-5-2018) Approx: 9:20pm in P.D. I mentioned to officer Thompson "That my throat was sore from the breathing tube." Officer Thompson replied "I forgot the guy's name who done that to you." "I think his name was Steve!" "Oh I should not of said that." I then replied "No," left it @ that. I feel uncomfortable about this & have reported these allegations w/ psychology, 2 Nurse, & Counselor Lily. Along w/ the warden on computer & Executive Warden - Mr. Kelly. O.I.G. HAS an email too. I'm just scared for my last 10 months here. I have also sent my Dustin Lawson
